

BECOME A SHEET METAL WORKER WITH LOCAL UNION 28

INTERNATIONAL ASSOCIATION OF SHEET METAL, AIR, RAIL AND TRANSPORTATION WORKERS

The Local 28 Sheet Metal Workers Apprenticeship Program is looking for qualified applicants for its 5-year program to earn while you learn in a career in the Sheet Metal Industry. Applicants must be at least 17 years of age, have good basic math skills and a desire to work hard with their hands and their minds. Applicants will be randomly selected to take an entrance exam for classes entering in 2017. Successful candidates must pass a drug screening test and are subject to random drug testing for the duration of the apprenticeship program.

Union Sheet Metal Workers are among the finest trained craftspeople of all the Building Trades. They design, fabricate, install, weld and service ductwork for heating, ventilating and air conditioning. They also weld kitchen equipment, install siding, metal roofs and other metal applications. They work with many materials including galvanized metal, copper, aluminum, and a wide variety of specialty materials.

Local 28 Sheet Metal Apprentices work full-time for a union contractor that pays them to attend classes throughout the year. Graduates receive college credit from select accredited institutes of higher learning. The first six months to a year of the program is pre-apprenticeship leading to indenture as an apprentice. Pre-apprentices attend a mandatory four weeks of school without pay before being assigned to a union contractor.
